

TERMS OF USE

TERMS OF USE

This Affiliate Program Operating Agreement (the “Agreement”) is made and entered into by and between Strinity Media (“Strinity Media” or “we” or “Company”), and you, (“you” or “Affiliate”) the party submitting an application to become an Strinity Media affiliate). The terms and conditions contained in this Agreement apply to your participation with strinitymedia.offerslook.com (“Affiliate Program”). Each Affiliate Program offer (an “Offer”) may be for any offering by Strinity Media or a third party (each such third party a “Client”) and may link to a specific web site for that particular Offer (“Program Web Site”). Furthermore, each Offer may have additional terms and conditions on pages within the Affiliate Program and are incorporated as part of this Agreement. By submitting an application or participating in an Offer, you expressly consent to all the terms and conditions of this Agreement.

1. What is the Strinity Media Affiliate Program?

You must submit an Affiliate Program application from our website. You must accurately complete the application to become an affiliate (and provide us with future updates) and not use any aliases or other means to mask your true identity or contact information.

2. Obligations of the Parties

Subject to our acceptance of you as an affiliate and your continued compliance with the terms and conditions of this Agreement, Strinity Media agrees as follows:

2.1 We will make available to you via the Affiliate Program graphic and textual links to the Program Web Site and/or other creative materials (collectively, the “Links”) which you may display on web sites owned or controlled by you, in emails sent by you and clearly identified as coming from you and in online advertisements (collectively, “Media”). The Links will serve to identify you as a member of our Affiliate Program and will establish a link from your Media to the Program Web Site.

2.2 We will pay Affiliate for each Qualified Action (the “Commission”). A “Qualified Action” means an individual person who (i) accesses the Program Web Site via the Link, where the Link is the last link to the Program Web Site, (ii) is not a computer generated user, such as a robot, spider, computer script or other automated, artificial or fraudulent method to appear like an individual, real live person, (iii) is not using pre-populated fields (iv) completes all of the information required for such action within the time period allowed by Strinity Media and (v) is not later determined by Strinity Media to be fraudulent, incomplete, unqualified or a duplicate.

2.3 We will pay you any Commissions earned monthly, provided that your account is currently greater than \$100. Accounts with a balance of less than \$100 will roll over to the next week, and will continue to roll over monthly until \$100 is reached. We reserve the right to charge back to your account any

previously paid Qualified Actions that are later determined to have not met the requirements to be a Qualified Action. Affiliates are independent contractors and the relationship between the Company and the Affiliate is not one of employment relationship. The Affiliate is solely responsible for any taxes or social security costs due as a result of any payments received from the Company.

2.4 Payment for Commissions is dependent upon Clients providing such funds to Strinity Media, and therefore, you agree that Strinity Media shall only be liable to you for Commissions to the extent that Strinity Media has received such funds from the Clients. You hereby release Strinity Media from any claim for Commissions if Strinity Media has not received such funds from the Clients.

2.5 Strinity Media shall automatically generate an invoice on behalf of Affiliate for all Commissions payable under this Agreement and shall remit payment to Affiliate based upon that invoice. All tracking of Links and determinations of Qualified Actions and Commissions shall be made by Strinity Media in its sole discretion. In the event that Affiliate disputes in good faith any portion of an invoice, Affiliate must submit that dispute to Strinity Media in writing and in sufficient detail within thirty (30) days of the date on the invoice. If Affiliate does not dispute the invoice as set forth herein, then Affiliate agrees that it irrevocably waives any claims based upon that invoice. In the event that Affiliate is also tracking Qualified Actions and Affiliate claims a discrepancy, Affiliate must provide Strinity Media with Affiliate's reports within three (3) days after 30th day of the calendar month, and if Strinity Media's and Affiliate's reported statistics vary by more than 10% and Strinity Media reasonably determines that Affiliate has used generally accepted industry methods to track Qualified Actions, then Strinity Media and Affiliate agree to make a good faith effort to arrive at a reconciliation. If the parties are unable to arrive at a reconciliation, then Strinity Media's numbers shall govern.

2.6 If Affiliate has an outstanding balance due to Strinity Media under this Agreement or any other agreement between the Affiliate and Strinity Media, whether or not related to the Affiliate Program, Affiliate agrees that Strinity Media may offset any such amounts due to Strinity Media from amounts payable to Affiliate under this Agreement.

2.7 Affiliate also agrees to: Have sole responsibility for the development, operation, and maintenance of, and all content on or linked to, your Media.

2.8 Ensure that all materials posted on your Media or otherwise used in connection with the Affiliate Program (i) are not illegal, (ii) do not infringe upon the intellectual property or personal rights of any third party and (iii) do not contain or link to any material which is harmful, threatening, defamatory, obscene, sexually explicit, harassing, promotes violence, promotes discrimination (whether based on sex, religion, race, ethnicity, nationality, disability or age), promotes illegal activities (such as gambling), contains profanity or otherwise contains materials that Strinity Media informs you that it considers objectionable (collectively, "Objectionable Content").
